

Bloomington High School Class of 1969

Our 40-year class reunion is over and from comments that have been received, it was a great success! The planning committee did an outstanding job in organizing various events that were enjoyed by all. A very big thank you goes to:

Susan (Nebergall) Forney
Greg Hoke
Tom Bungler
Mark Rieger
Larry Sparks
Jim McNally
Chuck Sater

It took a lot of great teamwork to make it happen. We would also like feedback regarding your experience and if you took pictures that you would like to share, we welcome that.

So, what's next? It has been suggested that instead of waiting another 10 years to get together, that we have a 60th birthday celebration since 2011 will be the year that most of us will turn or be 60 years old! There have been some ideas of a 60's theme party, a stay at French Lick, or even a cruise. We want to do something and would really appreciate input/ideas from everyone that would like to participate. Get the word out to anyone and everyone that you keep in contact with or that you think would be interested. Let's make our next get-together turnout even better than this year's 40th reunion!

Also, I am our new "class historian" and am in the process of compiling a database of all our former classmates so that we can keep everyone updated on any future functions of our class. You can contact me through my email at bclenden1@iwon.com or our class email at BHS69reunion@hotmail.com

Please forward this to other classmates. I look forward to hearing from you.
